A Time to Pause

As Summer starts, we are reminded of the periodic need to reflect and self-assess to determine where we are with our goals in life, and whether we need to adjust course. The school year is over for many, and work hours may have changed to align with the pace of this season. Some may even be fortunate enough to take vacation time to relax and recharge.

The cornerstone of the St. Vincent DePaul approach is to assess the needs of individuals and families in our communities (neighbors in need), so that we may be able to build a plan and offer a "hand up" to ensure folks are on the path to self-sufficiency. We should also pause from time-to-time to assess our spiritual life and ensure we are "in the right place". That might mean asking ourselves how often we are engaged in conversations with our Lord - and prayer in general.

In a culture where we often get caught up with being busy, perhaps we need to create space and review how we are spending our time. This may also be the season to re-engage in previously stated or intended commitments. Think of the "fire" that was recently referenced on Pentecost, and how that transforming energy encouraged disciples in their work ahead.

So, I hope you find time to take pause this Summer to be reminded again of the presence of God. And, in those moments of silence, prayerfully engage in dialogue and listen to His voice.

"Leisure is a form of silence, not noiselessness. It is the silence of contemplation such as occurs when we let our minds rest on a rosebud, a child at play, a divine mystery, or a waterfall." - Fulton J. Sheen

Fred Talk Videos – That Kind of Person

The March 22, 2022 e-newsletter of *Frederic's E-Gazette*¹, provides us with a *Fred Talk* video, <https://vimeo.com/678817302>, entitled *That Kind of Person*, narrated by The National Formation Director, Mr. Tim Williams.

These little videos are short and will be worth your time to watch! This one is 3:23 minutes.

There are five videos at the national formation web site, in the Video Libraries section of the Formation Resources tab, <https://members.ssvpusa.org/formation/formation-resources/>, that are designed to provide short segments of the essence of being a Vincentian, and other helpful topics.

Vincentians will learn about Vincentian heritage, traditions, and spirituality, in small doses.

I wasn't sure what was behind the title of this particular video until, of course, I watched it. Sadly, I have personally witnessed fellow Vincentians begin to interact with a client/neighbor, then murmured, "Oh, he/she is that kind of person" or similar words like this.

As Tim shares with us, all of us are in fact, "that kind of person." And what kind is that? Every one of us is made in the image of God. Although we are uniquely and individually designed by God, we are also made in the likeness of God.

We are called to love our neighbors in actionable ways. Serve them. Be present to them in their time of need. Listen to them. Pray with them. Love them through our actions. And we do not expect anything in return. *We exhibit a likeness of God's unconditional love to us.*

When we meet someone, our initial human reaction might be to "judge the book by its cover." Jesus never would have done this, because he already knew that each person is a divine creation of God, no matter what their outward appearance or behavior was.

We do not know a person's heart or their history. We do not know what their life story is. We do not know their state of mind, their medical history, or their level of spirituality and faith. We know nothing about them when we first meet them. I have personally witnessed cruel treatment of clients/neighbors by Vincentians that was hurtful and damaging. This is unfortunate.

We must be careful with the heart of a client/neighbor. Treat their heart with kindness, patience, and gentleness, as Jesus did. And know that when we do this, He smiles. We are His hands and feet, and He expects a great deal from us.

Being a faith-filled Vincentian, while practicing the teachings of the Gospels, we serve the marginalized, recognizing that each person we serve truly is the "suffering Christ."

Each person is a divine creation of God. His creation.

St. Michael Holds Vincentian Retreat at Purification Heritage Center

Written and Submitted by Shelley Matus

The St. Michael Vincentians in Gainesville recently journeyed to Purification Church and Heritage Center in Sharon, Georgia for a Day-Retreat. It is the site of the oldest Catholic settlement in Georgia.

After the Revolutionary War, Catholic churches were allowed in the thirteen colonies, so in 1790 Catholics journeyed south from Maryland to Georgia in search of good agricultural land. The original church building was replaced in the 1890's and still stands today.

The Heritage Center is a two hundred acre plot located on the original settlement. There are two prayer gardens; the Grace Garden celebrating the joyful mysteries of the Rosary, and the Seven Sorrows Walk, contemplating Our Lady's Seven Sorrows. A third, the Resurrection Garden, is under construction in a meadow. There is a pond (stocked with fish) and a large gathering cabin on its shore. In another section, building is underway on

several cabins to accommodate overnight retreat visitors. Ground has been broken for a central communal building with dining facilities and a kitchen. Currently, the Heritage Center can only accommodate day retreats, but it hopes to be fully open in the near future. For more information visit www.purificationheritagecenter.org

Fresh Fridays at Chamblee & Lakewood Support Centers

In April, we kicked-off the Chamblee Support Center's **FRESH FRIDAYS** event! We have an abundance of produce and meat that is picked up weekly from our grocery store partners and this new program allows us to share it with the community. We were able to provide 128 families with 7,296 Lbs. of food at the kick-off! Clients also received information about our SNAP services and instructions on how to schedule an in-person pantry appointment.

The Chamblee FRESH FRIDAYS event will take place every 4th Friday of the month from 11a – 1p or while supplies last. We will be set up like a Farmer's Market and will have volunteers available to help serve people. A limited amount of information will be asked of the Clients (see "Express Assistance" in CMS) to track amount of food and # of Clients served for year-end reporting, partnerships, and future grant proposals.

This event will also take place at Lakewood every 2nd Friday, 11a- 1p. See dates for both locations below.

SVdP Pharmacy Intern Shares Full Circle Experience

Kathleen Leonardo rejoined SVdP GA Community Pharmacy a few weeks ago as a fourth-year Pharmacy Intern from Philadelphia College of Osteopathic Medicine, Georgia (PCOM Georgia). Kathleen was first introduced to SVdP GA last year when she was assigned a two-week rotation at the Community Pharmacy, during which time, she worked closely with Dr. Samantha Ricks, Director of Pharmacy, and experienced building pharmacy operations from the ground up. After her rotation ended, Kathleen continued to volunteer as an intern during her third academic year at PCOM.

“As a Pharmacy Intern, I saw firsthand, all of the good and wonderful work this nonprofit pharmacy is doing for its community and patients, which is why when my next rotation came around, I requested to be placed with the Community Pharmacy at SVdP again. It’s been a full circle experience having worked with Dr. Sam last year on building up pharmacy operations and adding structure, and now learning about regulations, management and creating policies this year,” Kathleen shared.

In addition to working on inventory logs, refilling medications, and helping fill out new patient applications, Kathleen spends a great deal of time on patient outreach and education. “I get to interact with our diverse community and work with patients of all different backgrounds. This experience has given me a better awareness of how many patients are in need of medical and financial assistance, and how important the SVdP Pharmacy presence is within our community.”

Celebrating Milestones: 30 Years of Service!

“George Thomas has been a dutiful team member here at St. Vincent de Paul and has been handling the “heavy lifting” of the organization for years as the lead driver for the Furniture Donation Program. When we started our food recovery program, George took the lead on that and drove to local grocery stores and harvested donations to stock our food pantry. George is well known at the State Capital, where every year, he participates in SVdP’s Clark’s Christmas Kids, and plays the role of Santa’s helper by retrieving the toys that are collected at the Governor’s office and shuttling them to the warehouse to be distributed to children in foster care.

A proud son of Albany, Georgia, George is a true believer in the mission of St. Vincent de Paul and is always willing to step up and help when called upon. On a personal note, George has played a large part in helping me grow into my role here at SVdP with his wealth of institutional knowledge and understanding of the Vincentian community at large. **On behalf of the whole team here at St. Vincent de Paul, I would like to thank George for his 30 years of service.”**

- Darrell Hooker, Chief Operating Officer

A Farewell Note

Dear Vincentians,

The day I never really imagined has come. After nine years, I am sending you my last edition of the Society Page newsletter. At the end of this month, I will be stepping away from my position as Director of Vincentian Services at SVdP Georgia to spend more time with my young family and eventually relocate us to my home state of Florida. As the team searches for my successor, I will aim to ensure a seamless transition, so please continue to reach out as needed.

I joined the SVdP Georgia staff with absolutely no knowledge of the tremendous, good work the Society does around the world. I did, however, know that I wanted to be part of something that was making an impact on others' lives in the nonprofit sector. And wow, this journey did not disappoint!

Thank you for allowing me to be a part of your Vincentian journey - to learn with you and grow in friendship, spirituality, and service with you. Many of you know me as the face behind a formation or training event, an email, or your connection to the Conference Support Center, but what you probably do not realize is how much those events and instances impacted my life. Each day was more than just a job. Each new member that joined the Society and attended a training was a true inspiration to me. An inspiration that there is still so much good in this world, especially in these last few years. Partnering with Conference and District leaders at leadership events not only encouraged me as a servant leader, but it showed me what teamwork really is and what can be accomplished when people selflessly step up.

You are a special group of people who go above and beyond to help others in need, a level of service I never even knew existed. I want you to know how thankful I am for allowing me to support you in your service and spiritual growth. We've been through a lot over the last nine years, from launching CMS, new member websites, new formation and training programs, opening new Conferences, pivoting service delivery during a pandemic, new marketing and recruitment tactics, and so many other resources and tools that I threw your way (or sometimes you threw my way) to support you in your work as a Vincentian. Thank you for always being open and willing to embrace me, and the growth and changes.

I also want to express my gratitude to the staff and Board for their incredible support, leadership, and friendship throughout the years. It has been a blessing and a privilege to be part of the SVdP Georgia family, and it will continue to hold a special place in my heart. I cannot say it enough. Thank you all again for the special roles you have played during my tenure and for your many kindnesses and love. May you continue to embody our mission of providing hope and help to those in need, because you have certainly provided that for me.

In service,

Amanda
