As our fiscal year comes to a recent close, it represents an opportunity to reflect. Most of you know as well or better than I, how many of the challenges associated with the pandemic continued to drive uncertainty throughout our communities. One thing that remained constant, though, was your commitment to caring for those in need. We know it hasn't been easy with the starts and stops, opportunities and obstacles, and twists and turns associated with Covid, but we are genuinely grateful for your ongoing "faith in action". In the words of Ignatius Loyola, "In God's eyes our words have only the value of our actions."

At the recent national SVdP meeting in Houston (which was attended by over 600 people even with the restrictions!) it was revealed that worldwide, together we (SVdP) assist and impact 30 million people per day! Wow... let that sink in for a moment. As I told a large group of Vincentians gathered in Chamblee recently, we should all pause from the day to day for a moment to consider the true strength in those numbers. We are truly better together- and when we work as a pair in home visits, or as a group in our Conference, District or Council, the magnitude of our actions and assistance is enhanced significantly. We'll share our statewide metrics soon, but know that you have made a substantial difference in the lives of so many in Georgia. Our collective aid over the last year was delivered to an unprecedented number of recipients.

With the new year upon us, we also want to welcome new leadership in our Conferences and Districts. We are thankful for those of you who have accepted the challenge- and encourage you to reach out to us for support and guidance.

Lastly, thank you to our board members who have joined us over the last year, unselfishly volunteering their time and talent to help guide the organization: Kathy Ames (Southern Company), Christina Bautch (Delta Air Lines), Charlotte Combre (BakerHosteltler), Jacob DiPietre (Chick-fil-A, Inc.), Patricia Falotico (Pathbuilders), Denise Fisher (District 2 President and Council Vice President), Bill Kilburg (Truist Bank), David Malone (Gas South), Phillip Mooney (District 1), and Sr. Mary Francis Power (Spiritual Advisor).

As we enter the season of harvest, I am reminded of the verse from Galatians 6:9,

*"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up."*

# How Did St. Vincent Practice His Spirituality?

Have you ever wondered what Vincentian spirituality is? And how St. Vincent practiced his faith? The following sections of the *Society of St. Vincent de Paul Rule* provide insight.

**Section 2.5 – The Spirituality of St. Vincent.** Having been placed under the patronage of St. Vincent de Paul by the founding members, members of the Society are inspired by his spirituality, manifest in his attitudes, his thoughts, his example and his words. For Vincentians, the key aspects of St. Vincent’s spirituality are:

- To love God, our Father, with the sweat of our brow and the strength of our arms;
- To see Christ in the poor and poor in Christ;
- To share the compassionate and liberating love of Christ the Evangelizer and Servant of the poor;
- To heed the inspiration of the Holy Spirit.

**Section 2.5.1 – Essential Virtues.** Vincentians seek to emulate St. Vincent in the five virtues essential for promoting love and respect for the poor: simplicity, humility, gentleness, selflessness, and zeal.

There are many spiritual ways of life; e.g., Vincentian, Franciscan, Dominican, Eudist, and others. This means that beyond the doctrines of the Catholic Church, there can be an *additional* fine-tuned focus of spirituality that we choose to follow specifically, as Vincentians, and in addition to practicing our Catholic faith.

*The essence of the Vincentian way is to develop our spiritual faith through service to the “suffering Christ” around us (no.2 above). Logically, our Vincentian spirituality then, is infused in ALL areas of our work, not only during the meeting’s spiritual reflection, and when we serve neighbors/clients, with prayer. This is why spirituality is our primary focus.*

St. Vincent’s spirituality was also “To share the compassionate and liberating love of Christ the Evangelizer and Servant to the poor.” (no. 3 above) What an opportunity we have to evangelize to those we serve! First though, we must be sure they are open to prayer, as this is where an evangelical friendship normally begins. Ask them, in a simple, humble, and gentle way (section 2.5.1 above), “May I pray with you?” Or, “What would you like me to pray for?” Most of the time people are open to prayer, and often share their own holy insights with us. They minister back to us! These are spiritually-fruitful and fulfilling moments. Do not be surprised if you notice tears, as this may be the first time in their lives that someone offered to pray with them.

Frederic Ozanam and his college friends chose to follow the spirituality of St. Vincent de Paul when they founded our society, making us a faith-based charity. *This means we facilitate all we do with prayer, asking God to guide us.* We pray before, during, and after all of our Vincentian efforts, including (1) conference meetings, (2) during all business efforts, and (3) in service to those who are in need. See no. 4 above: “To heed the inspiration of the Holy Spirit.”

Consider asking God this question in your individual private prayer time, asking him to reveal his answer to you, then patiently wait for his answer: “How can I imitate St. Vincent de Paul’s spirituality in ALL of my Vincentian efforts?”

## Welcome Maresha Cash | Vincentian Services Intern

Maresha Cash has joined SVdP Georgia as an intern with Vincentian Services. Maresha will be in the office on Tuesdays and Thursdays and help with casework for the various municipality grants we are administering.

A little about Maresha...

My name is Maresha Cash, and I am currently in my second year of the Master of Science in Social Work program at the University of Louisville. My purpose is to help others enhance their quality of life by serving with integrity. After obtaining my MSW degree, I wish to go into the medical field while volunteering at a non-profit to make a change in my community. Providing individuals with the

resources they need to live a better life is my passion. Being healthy spiritually, mentally, emotionally, and physically is essential for me to give my best to others and address their needs. I have a 4-year-old daughter that I love dearly and a family that pushes me to be my best every day. I love to spend time with my family, exercise, study the bible, and ways to be my best self in my free time.

# Changing of the Guard

Thank You

On behalf of the Board of Directors of the Georgia Council and the staff at the Conference Support Center, we'd like to thank each and every Conference leader whose term has come to an end this year. Leadership is essential to help make the Society a more effective source of help to the needy and allows fresh ideas to be brought into the operation of Conferences, and we appreciate each individual's contribution to our humble successes over the past few years.

Whether you are an outgoing President, Vice President, Secretary, Treasurer or Spiritual Advisor, we hope that you found growth in personal spirituality and fellowship through leading your

Conference, as well as a broadened perspective and appreciation of the worldwide network of charity that was the vision of Bl. Frederic Ozanam.

And with that, we welcome our new Conference Presidents (and all of their appointed officers):

Cathy Bailey (St. Paul of the Cross), Brendan Brennan (Corpus Christi), Lois Bruining (St. Katherine Drexel– Macon), Betty Campbell (St. Thomas the Apostle), Joann Gorelle (St. Philip Benizi), Karen Miller (St. Ann), Virginia Perez (St. Thomas More), Pete Psychogios (St. Brigid), Susan Schafer (Sacred Heart of Jesus- Hartwell), and Donella Wilson (Corpus Christi).

# Clothing, Furniture, and Food Drives Helping More Neighbors In Need

In September, the SVdP Conference at St. Peter Chanel in Roswell held a clothing and furniture drive that completely filled three (3) trucks. Their items will help fill the racks at many of our Thrift Stores, helping reach more neighbors in need.

We greatly appreciate their support, as well as the parishioners of St. Peter Chanel and all who contributed to the success of this donation drive.

St. Benedict Catholic Church recently held a donation drive that resulted in just over 10,000 pounds of food and toiletries! We are so appreciative of this parish's support, especially the teens in the Confirmation Program who earned service hours by providing the manpower needed to collect the items and load the trucks. These donations will go a long way in preventing hunger for many families.

## St. Andrew Conference Expands Food Program Recipients

A few months ago, the SVdP Conference at St. Andrew started a new food program partnership with the Children's Development Academy (CDA) in Roswell. The Conference works with the St. Ann's SVdP Conference in Marietta and the Atlanta Community Food Bank to obtain food for neighbors in need, serving about 50 families per week in the Roswell community, including some of the low-income families who attend the CDA.

This partnership furthers the St. Andrew Conference's impact in their community and the CDA families are very appreciative of their support. It's also a great example of how Conferences can adapt their services to the needs of the community and live the SVdP motto that "No work of charity is foreign to the Society".
