Instructions for Completing the “Monthly Conference Report” Form

Below you will find answers to some typical questions or problems that may arise as you complete the Monthly Conference Report. We welcome your feedback on how to improve the Report or instructions. (*Please note that this report is generated automatically in CMS.*)

Introduction

The Monthly Conference Report is a snapshot of all the financial transactions that have taken place during the reporting period. In other words, the End of Month Report should include all of the deposits that were made during reporting period and all the checks that were written during the month, regardless of whether or not the check or deposit appears in the end of month bank statement. If you made a check/deposit during the reporting period, but it does not appear on the bank statement (i.e., it has not “cleared”), then include the check/deposit on your report.

Last Month’s Ending Balance

- The current report opens with the same number as the Ending Balance from the previous report. (This number is usually not the same as the “Opening Balance” on your bank statement.)
- The beginning balance “CMS Last Month’s Ending Balance” should include all accounts. The Atlanta Council recommends that each Conference have only one checking account. However, some conferences have found it necessary to have a second checking account.

Donations from Members (Line 1)

Financial contributions from Active, Associate and Contributing Vincentian Members, including the secret collection taken up at Conference Meetings only. Checks from Members that come through Church collections should not be included.

A detailed description of the types of members is found in the Rule: Part III, Statute 3. In brief,

- Active (or Full) Members participate regularly in the prayer life, meetings, and charitable activities of the Conference.
- Associate Members may or may not attend Conference meetings or engage in the works of the Society on a regular basis...[but they] are kept informed of the developments and activities of their [Conference and Council]
- Contributing Members are those who regularly or in a substantial way provide in-kind or financial support but who do not engage directly in the Society’s work. All of these members are invited to attend The Society’s general meetings & special observances.

Church/Poor Box Collections (Line 2)

Line 2 reflects money donated through the church’s offertory, poor box, or “at-the-door” collections.

Grants

All grant applications must be coordinated through the Council Development Office. Grant funds are sometimes administered through the SVdP Conference Support Center, and sometimes the funds are deposited in the Conference account. Funds, such as the Emergency Food and Shelter Program, that are administered through the SVdP CSC should be included under 5d. Grant funds that appear in the Conference account should be listed on line 5a. Conferences do not pay solidarity on this amount. However, only qualified grants that meet the Qualified Grant Criteria below will be included on the line. All other grants will be subject to Solidarity.

Solidarity Contributions (Line 9)

For conferences with prior year's annual income of less than \$50,000 the contribution is 7.5%. For those conferences with prior year's annual income greater than \$50,000 the percentage is 10%. Annual income excludes grant money received, fundraising expenses and contributions from other Conferences/Councils. Money sent to another Conference or Council may not be used to reduce the solidarity payment. (Make checks payable to: St. Vincent de Paul Georgia and mail to: 2050-C Chamblee Tucker Rd, Atlanta, GA 30341)

1. Must be reported to and approved by the Council prior to formal submittal of the grant request and also meet the following criteria:
 - a. Must have come from a government entity, corporation or foundation.
 - b. Prior individual gifts converted to a foundation are still individual gifts.
 - c. No individual gift can be considered a grant.
 - d. Must have required an application be completed, or at a minimum a letter of request submitted.
 - e. Must be for a specific purpose and must request a grant report to be sent to the grantor.
2. A bequest is not a grant. Solidarity must be paid at the time the bequest is received.
3. An individual gift is not a grant. Solidarity must be paid at the time the individual gift is received.

The check written for the solidarity payment should be reported in the month in which it was written. As described on the previous page, if the check wasn't written in the report period, then it should not be on the report. The report should reflect all financial actions that take place during the reporting period.

Number of People Helped

These numbers are automatically calculated in CMS.

Reconciliation

The Ending Balance should be the same number as CMS Check Register Balance. This will usually not be the same as the "Ending Balance" on your bank statement.

Steps to Review a Conference's Monthly Financial Report

Conference Presidents are required to review the monthly report it to their District Treasurer.

1. Does the beginning balance of this month's report match the ending balance of last month's report?
2. Does the ending balance of this month's report match the check register ending balance, also noted as the "Financial Statement Ending Balance" on the check register page of CMS?
3. At the top left side of the CMS check register page (or outstanding checks), does the "Statement Beginning Balance" match the beginning balance on the bank statement?
4. Similarly, does the "Statement Ending Balance" match the ending balance on the bank statement?
5. Review the monthly report to see if the income and expenses are reported on the correct line(s) and/or if there are any line items that are unusual. For example, is there a big expense in "Burial Expense" but you know you didn't help anyone with that? Or your utilities expenses are double what they usually are.
6. Review the bank statement and/or check register. Do any expenses or deposits look out of the ordinary?
7. If check images are on the bank statement, review the images. Are there any expenses for unusual amounts, to unusual vendors, to members of the Conference, to individuals, etc.?
8. After reviewing the report, reconciliation and bank statement, be sure the Conference Treasurer AND President sign it (physically or via e-mail) before forwarding to the District Treasurer. An email from the President must include the statement that "he/she has reviewed and approved the attached reports and documents."
9. Retain a copy for the Conference's records.
