A Note from Pat

Greetings Vincentians & Friends,

It has been great to see the return of "in person" activity. As most of you know, this is such an important ingredient of everything we do at St. Vincent DePaul....in fellowship, prayer, meetings, and in service to others. For the last nearly three years, we have had to adjust, adapt, and modify. While we are proud of the way the organization (all of you!) responded, the real "secret sauce" is seeing the face of Christ in those we serve, and that certainly is more apparent, evident and real when we are face to face.

Speaking of fellowship, we were able to experience a statewide gathering of friends and neighbors at two recent events; our Morning of Hope in late August and Tee Off for Hope in late September, were both very well attended. Thank you for your support as these two events exceeded our dreams and goals and most importantly, will allow us to provide more Hope and Help to our neighbors in need.

We will be sending out fiscal year-end and Christmas season greetings soon, but I would be remiss if I didn't thank all of you for your support over the last two-and-a-half years. We have weathered a tough time through the pandemic and have emerged stronger in the face of uncertainty. The organization is poised to assist more folks in a greater variety of locations and situations. This "enhancement as a whole" could not have happened without your tireless efforts and guidance from the Holy Spirit.

It's my sincere honor to have served you and the entire organization. I'm confident we are better today than we were yesterday. The organization will be in excellent hands in the years to come under the leadership of long-term Vincentian and leader, Mike Mies.

As we enter the season of gratitude and thanksgiving, please accept my earnest and heartfelt "thanks" for your prayers and kindness along the way.

God bless you all!

Moving Out of Our Comfort Zones

Am I capable of being a case worker, spiritual advisor, or conference president? Can I spontaneously pray for our neighbors when I meet with them? Can I organize and facilitate a Vincentian retreat for my conference? Will I know what to do?

Being a member of the St. Vincent de Paul Society means change for us is on the horizon. Changes of all kinds, rather than remaining comfortable where we are. Maybe we are the best at what we do, but what else could we learn? What else does God want us to experience? We might be afraid to try something new. Normally, most of us are.

God provides what we need when we say “yes,” as Our Blessed Mother Mary did when the Angel Gabriel told her she would have a son.

For example, let’s focus on something very important; that is, learning to pray for others spontaneously, in the moment. This requires us to be humble, as we then find a fulfilling presence of the Holy Spirit, causing our words to pour forth from Him. *The more we pray for others in their presence and in the moment, the more present the Holy Spirit is within us, because we are serving “the suffering Christ.”*

It is during these special moments that Vincentians grow in Vincentian spirituality. The following scripture verses provide more insight.

“For I am certain that God, who began the good work within you, will continue his work until it is finally finished on the day that Christ Jesus returns.”¹ Our hearts are marked for serving those who are the least of our brothers and sisters, the marginalized. If God called us to do this good work, he will help us by giving us all the blessings, gifts, and graces we need to follow through with His Will for us. *And we must trust that he will do this in his Divine Providence for us.*

“Jesus looked at them intently and said, ‘Humanly speaking it is impossible. But with God all things are possible.’”² On my spiritual journey many things have happened that without God, would not have been possible. *He causes me to step out of my comfort zone, as I trust Him.*

“If any of you lacks wisdom, you should ask God, who gives generously to all without finding fault, and it will be given to you.”³ We turn to Him asking for His help as we go through life’s challenges. *When we first begin the journey, we may not have the wisdom we need, but along the way, as we trust Him, he gives us the wisdom we need to gain confidence to do whatever he asks of us.*

Give it a try! Especially, pray with someone in need, who may not have ever had anyone pray for them, in their presence, or over the phone, or through a video call. Notice how it affects them. There is a calming presence of God that you will notice, a stillness. **“Be still and know that I am God.”⁴**

Enjoy the journey!

National President Election Update

Dear Vincentians,

The process for the Election of the President of the National Council of St. Vincent de Paul began at the National Meeting held in Baltimore on September 3, 2022. At that time, National Committee members voted for the top 2 of 4 potential candidates. The final selection for president is one in which every active Vincentian has a vote.

Sometime before the November 14th deadline, a vote will be held by secret ballot in your local conference. The results of that majority vote will determine the 1 vote cast by your conference. SVdP Georgia will then cast a single vote in the national election that reflects the majority vote of each of our conferences.

The “paper process” for conducting this election is prescribed by the National Elections Committee, and I thank you for your cooperation and compliance with it. The two candidates are: John Berry and Brian Burgess.

[John Berry Statement](#)

[Brian Burgess Statement](#)

The winner of the National Election will be announced in January and the National President will serve for a term of six years. To help in your decision making, please click on the “platform statements” from each of the two candidates as well as [this link to a video](#) of their live speeches before the National Committee in September.

May the Peace of the Lord and the spirits of St. Vincent de Paul and Blessed Frederic Ozanam be with all of you.

SVdP Georgia Selects Mike Mies for CEO Position

St. Vincent de Paul Georgia's Board of Directors overwhelmingly approved a resolution to hire Mike Mies as CEO/Executive Director to replace Pat McNulty, who will retire at the end of the year. Mike brings 20+ years of successful leadership and service at all levels of St. Vincent de Paul Georgia including Conference Caseworker, Conference Spiritual Advisor, Conference President, District President, Council Vice President, Council President, and National Committee Member, and will assume the new role in 2023.

Mike will replace St. Vincent de Paul Georgia's CEO, Pat McNulty, who recently announced his 2023 retirement. "Having worked closely with Mike for the last few years, I have seen firsthand his visionary leadership, passion and his genuine dedication to our Mission and Values for the people of Georgia," said McNulty. "He will help guide our organization to new heights, as we continue to strengthen our capabilities in the areas of Hunger, Housing and Health."

Strong financial and management skills, as evidenced by Mike's experience as CEO and Director of Finance of several public and private companies, afford St. Vincent de Paul Georgia continuity of service delivery, fundraising, and continued forward momentum in executing the Strategic Plan.

Mike will work alongside Pat for the next few months to ensure a seamless transition into this role with careful attention to maintaining existing relationships with key donors and constituents.

Twinning Spotlight in District 3: Gwinnett

Earlier this year, Family Promise reached out to the St. Lawrence Conference in Lawrenceville, Georgia to help the Hockers - a family of six at the time - with hotel payments until their Section 8 house became available. Unfortunately, the Hockers did not meet the qualifications of Family Promise, which require both husband and wife to be employed. With four children at home and a lack of childcare options, Mrs. Hocker, who was pregnant with her fifth child, was unable to work. Although her husband and oldest daughter were able to find employment, their wages could not cover the cost of housing on top of two car payments, gas, and insurance, so the Hockers decided to live in a tent at a park, and when the temperature got too hot, they switched to living in their cars.

TWINNING TO HELP A FAMILY IN NEED

Upon receiving the referral, Pam Kramer, Conference President at St. Lawrence, emailed several other Conference Leaders in District 3 asking for help and received "Twinning" funding from **FIVE Conferences - St. John Neumann, St. Oliver Plunket, St. Stephen's, Prince of Peace, and Mary Our Queen.**

The funds collected helped the Hocker family pay for four weeks at a motel as well as a down payment for their Section 8 house. With twinning money left over, and with donations from parishioners, the St. Lawrence Conference helped purchase four complete bed sets and furnish their 5-bedroom house.

"Our community gathered together to help this family live safely, thrive, and get in permanent housing. It took all these parishes and agencies and good parishioners from St. Lawrence to make this happen!"

- Pam Kramer

The Hockers were able to move into their new house on July 29th and welcomed their new baby girl a few weeks later.

PARTNERING WITH OTHER MINISTRIES

In addition to helping with housing, the Hockers were referred to various St. Lawrence ministries, including:

- **Helping Mamas**, a non-profit organization in Norcross, GA that provides essential baby supplies to families in need. Helping Mamas was able to provide the Hocker family with diapers, wipes, and a new pack-n-play.
- **Obria Medical Clinic**, a Women's health clinic in Lawrenceville, GA, helped provide prenatal care for Mrs. Hocker.
- **Lawrenceville Co-Op** for food.
- **Lawrenceville Thrift Store** for clothing.

"SVdP has been a huge blessing to our family and we do not know what we would have done without your help!"

- Marcus & Onekeia Hocker

Members from the SVdP conference at St. Mary Mother of God in Jackson, Georgia recently put together 100 Curbside Comfort Kits to hand out to the homeless and needy that they encounter day-to-day. The kits included hygiene items, various healthy snacks as well as a prayer card and a copy of our church bulletin.

"People's eyes light up when you give them one of these bags. They just don't expect for someone to hand them a bag full of things that they need but didn't expect from a driver who was just passing by."

Welcome to the SVdP GA Team!

Ann Frazer joins us as the new Corporate Giving Manager on the Development Team.

Ann will be responsible for managing and growing our portfolio of corporate donors and supporters. Prior to joining SVdP Georgia, Ann spent seven years at St. Joseph Catholic School, where she held a variety of roles, including the Director of Enrollment and Communications. In that role, she was responsible for developing and implementing a marketing, sales and communications plan aimed at increasing enrollment at the school. Before moving to the not-for-profit world, Ann honed her skills in the corporate world, holding a variety of sales, marketing and management positions at The Kellogg Company and Parisian.

A native of Illinois, Ann has lived in Georgia for over 20 years and is a proud graduate of the University of Georgia (Go Dawgs!). She currently lives in Woodstock with her husband of 28 years. They are the proud parents of three children: one daughter who is on her own and off the payroll, a daughter that is a junior at UGA and a son that is a senior in high school. She also has one cat and one very spoiled dog.

When not fighting the 285 traffic, Ann enjoys hiking, painting, photography, reading, gardening (though most of it dies) and her family, of course. She is especially looking forward to impacting our very important mission.

Mariel Risner Sivley joins the Society of St. Vincent de Paul Georgia in the newly created position of Housing Director. In this role, Mariel will be responsible for overseeing our strategic and tactical housing related initiatives, including the Motel to Home program.

Most recently Mariel was the Executive Director of the Georgia Supportive Housing Association (GSHA), a nonprofit organization that seeks to advance the creation and preservation of quality supportive housing in Georgia and ensure sufficient resources for this effort through education and advocacy. Mariel started her career as an attorney with the Georgia Law Center for the Homeless and was the co-recipient of a Distinguished Service Award from the Atlanta Bar Association in 2012. She served as the volunteer coordinator for the Atlanta Long Term Care Ombudsman Program and as an Adjunct

Professor for the Externship Program in the area of Public Interest Law at Emory University School of Law. She is a graduate of Emory University and the Georgia State University College of Law. Mariel has presented on homelessness and housing topics at several events, including those hosted by Georgians for a Healthy Future, National Association of Women Judges, and NAMI Georgia. She helped develop a supportive housing development guidebook and training for GSHA. Her work with GSHA was awarded the Freedom Righter Award from Metro Fair Housing in 2021.

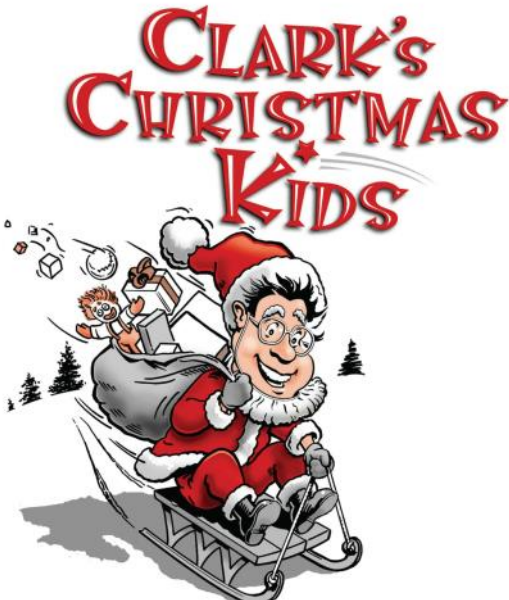

Mariel grew up in Sandy Springs and lives in Roswell. She loves to read, indulge in creative writing, take her dog for long hikes, go camping, and travel any place she can get to. Her next highly anticipated international trip is to Israel, but before that trip, she is looking forward to spending time with family this winter in Idaho, where she will attempt to learn how to ski.
