

SSVF

The purpose of the Supportive Services for Veterans Families Program is to provide rental assistance, utility assistance, and wraparound services to low-income and very low-income veterans and their families to help regain self-sufficiency and housing stability. The SSVF program offers supportive and/or temporary financial assistance to eligible veterans who would "but for" SSVF assistance" be homeless or remain homeless.

Program aims to:

- Assist clients in achieving and maintaining housing stability to avoid homelessness.
- Promote self-sufficiency to maintain housing without financial assistance or connect those with mental/physical health or economic barriers to permanent housing.
- Ensure clients have linkage to VA and all other veteran provided services.

Housing Programs

Rapid Rehousing

- Housing at scattered-site apartments based on the housing first model. Veteran chooses location and secures a lease in his/her name.
- Provision of rental and utility deposits, risk and/or admin fees and monthly rent.
- Provision of furniture, move in kits, food etc.

Homeless Prevention

- Payment of rental and utility arrears to ensure that the veteran and/or his family can reside in their current unit.
 - If veteran must vacate an existing placement, SSVF can rehouse them into another unit.

Shallow Subsidy

- Provides a deep subsidy for SSVF enrollees for up to two years, assisting veteran with 50% of their rental amount.
- Can be renewed

Emergency Lodging

Housing for up to 60 days/8 weeks (emergency only)
